WINNSBORO HIGH SCHOOL

Winnsboro, Louisiana

1953-54

Though time will pass and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages you relive the happy days of yesteryears for just a while, our efforts will not have been in vain.

Thus, we present this book to you; may it bring memories that will live through the years.

Principal's Message

Winnsboro, Louisiana

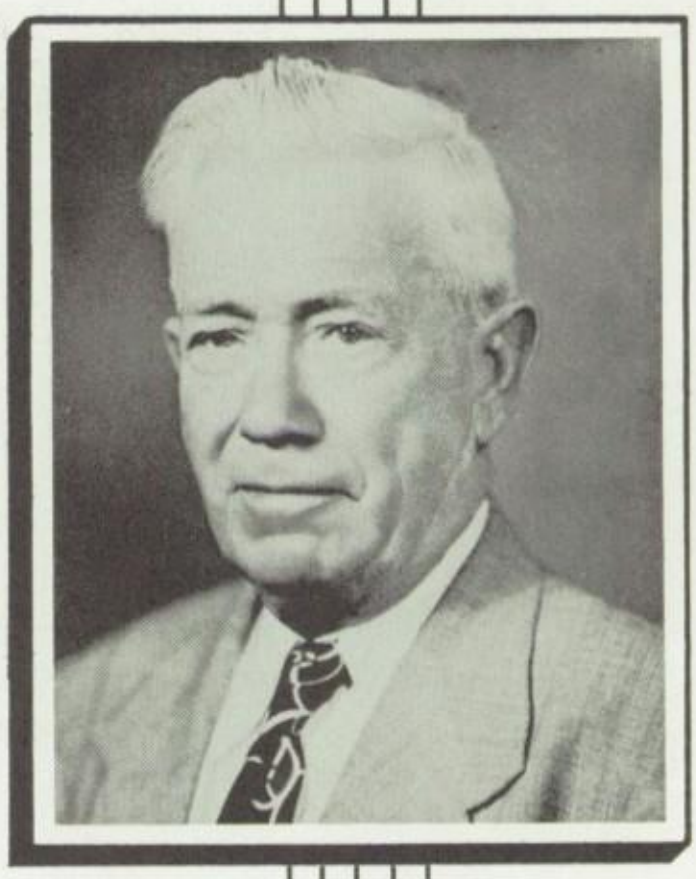
Greetings to the faculty and students of the Winnsboro High School.

It is a happy privilege to associate with you and to see your many noble traits of character each day. As I come in contact with you, I observe your acts of kindness which show your love and loyalty for each other and your true spirit of sportsmanship. I am made to feel as Robert Louis Stevenson expressed it, "Heaven rewards us with glimpses of human souls as we go along."

Wishing you happiness in unselfish service, I am,

Sincerely,

M. A. Price



Since 1897, the year Winnsboro High School first received official rating, hundreds of graduates have passed through these "halls of learning."

The oldest living graduate is Dr. L. F. Robinson, who, in 1901 with eight of his classmates, received his diploma.

In 1906, Dr. Robinson graduated from Tulane University and began his career as a general practitioner of medicine. For approximately forty-six years, "Doc" has served his community in the role of family physician. Ever faithful to his high school Alma Mater, "Doc" has been throughout a familiar figure at our athletic events, for wherever the team has been, there also has been "Doc."

So, in recognition of his loyalty to Winnsboro High School, we, the staff, dedicate the 1954 HI-LIFE to Dr. L. F. Robinson.

The 1953 football season was a successful one. The Wildcats won 5 games, tied 2 games, and lost 3. The team did exceptionally well, as there were no serious injuries. Each player went into the game with the desire to play their best and to win. The teachers and students wish to take this opportunity to congratulate the entire 1953 football team and the coaches. They also appreciate the sportsmanship and the excellent team work portrayed by such a fine team.
